WHAT IS SCHOOL SPIRIT? School Spirit is many things.

SCHOOL SPIRIT is the friendliness and comradeship that develops when students and teachers work together five days a week, 36 weeks a year.

SCHOOL SPIRIT is the good will and respect that decent people have for each other.

SCHOOL SPIRIT is the pride of a student body when one of its members distinguishes himself.

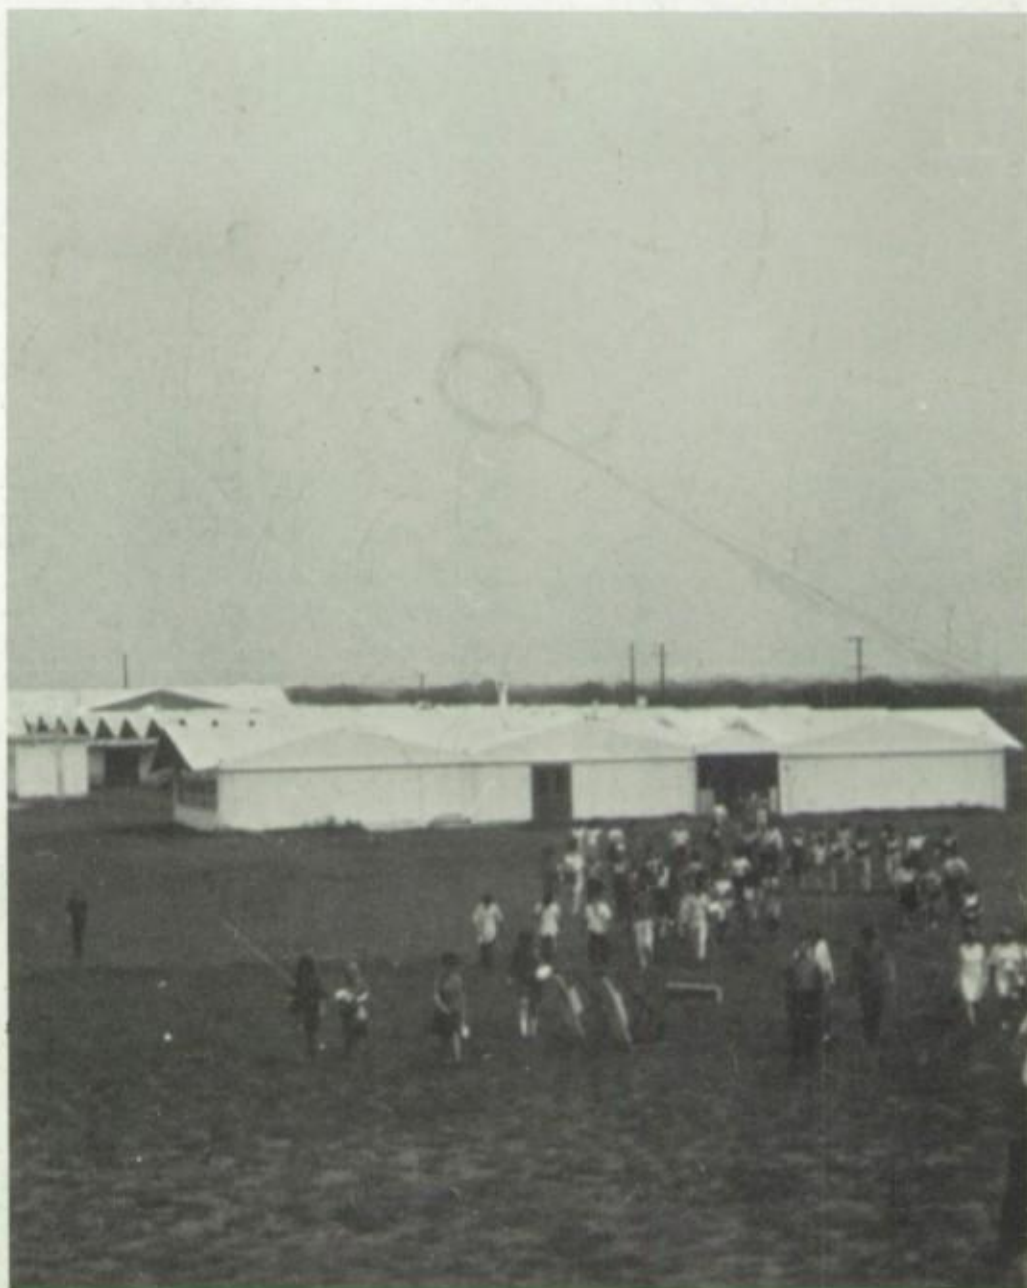

SCHOOL SPIRIT is that chill that comes when the band plays the fight song.

SCHOOL SPIRIT is the sportsmanship that makes gracious winners and uncomplaining losers.

SCHOOL SPIRIT is the active enjoyment of taking part in life--not just sitting back and watching.

SCHOOL SPIRIT is that something which makes people proud to say they went to Western Heights.

SCHOOL SPIRIT is all these things and more. It is that intangible something that makes Jets of students.

Showing Our Pride . . .

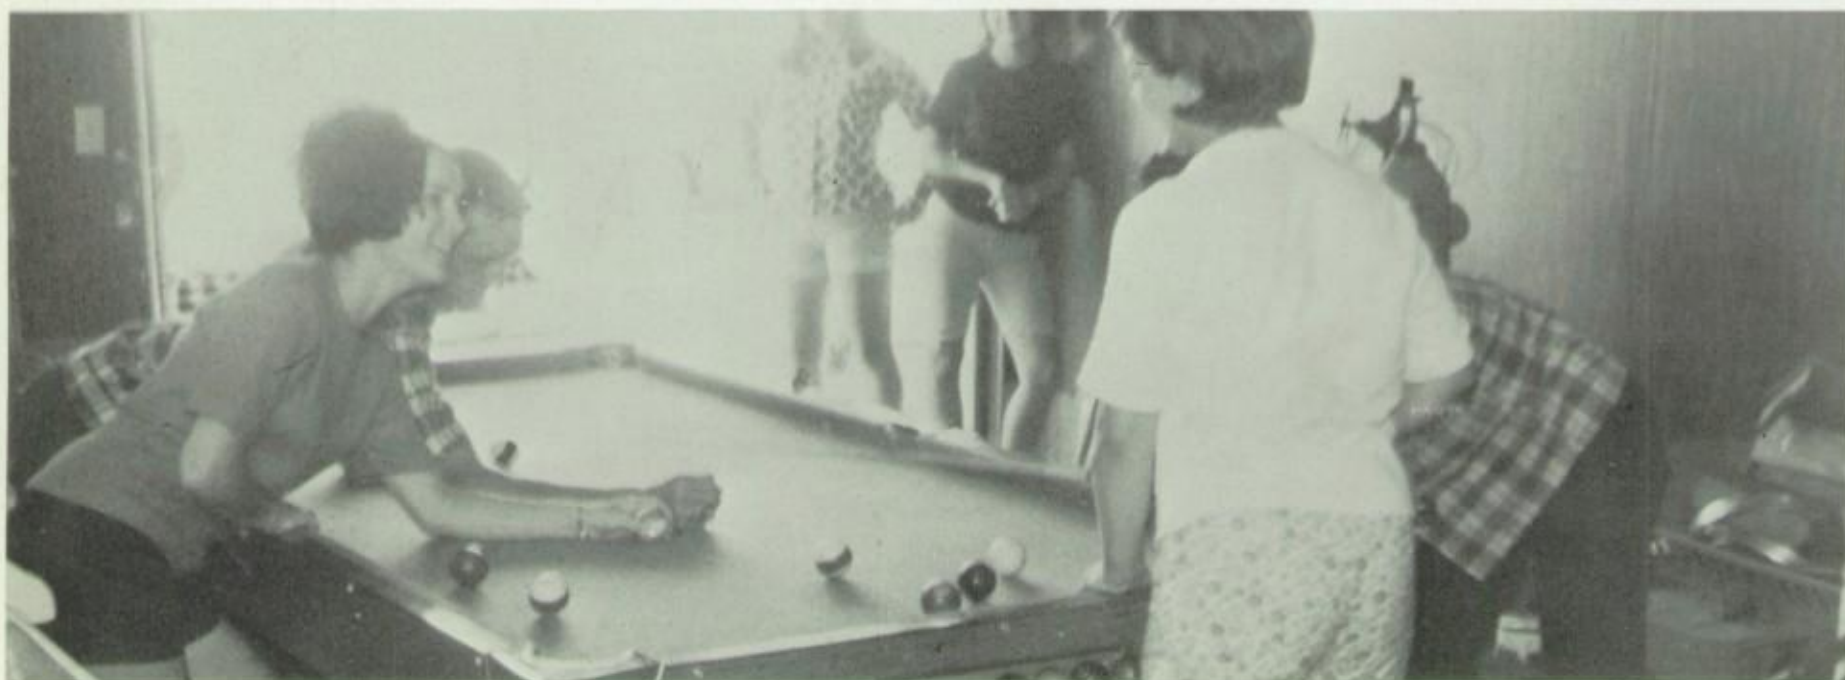

Searching for Knowledge . . .

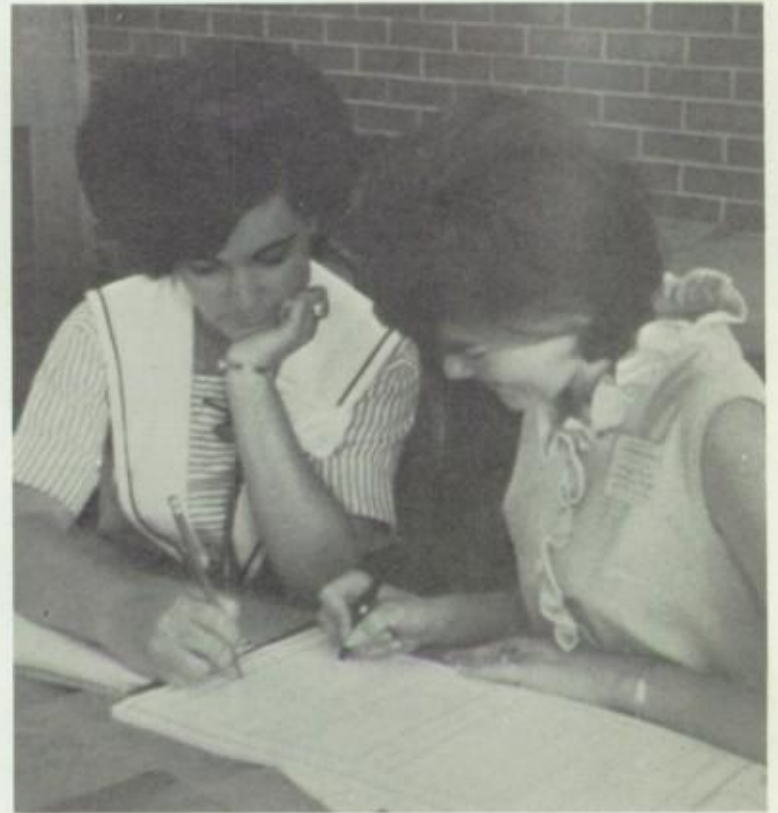

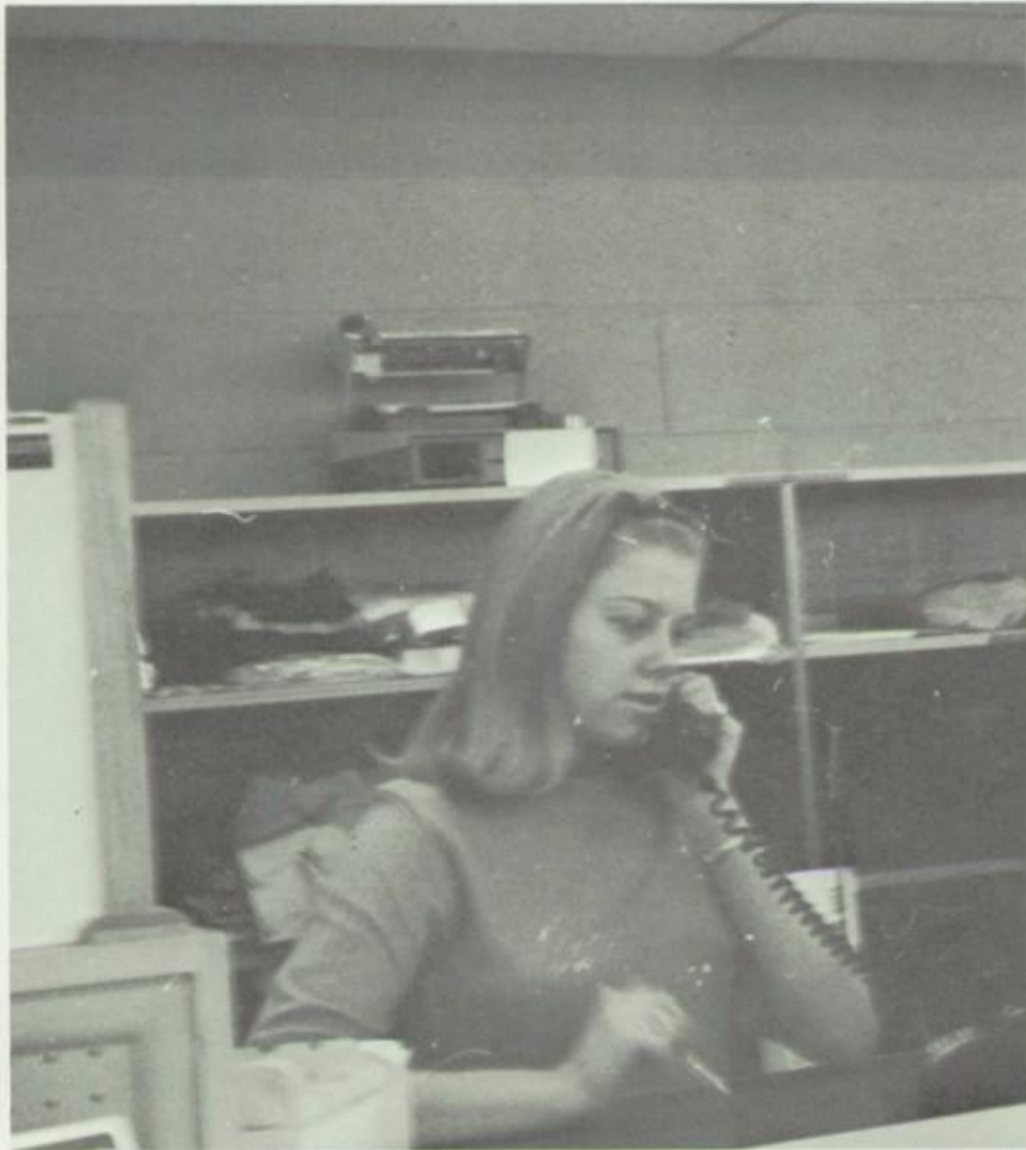

Being Inspired to Learn . . .

Enjoying Fun and Friendship . . .

And Striving to Succeed

Dedication

To MISS CAROL SMITH

We, the staff, dedicate this, the 1967 Flight VI.

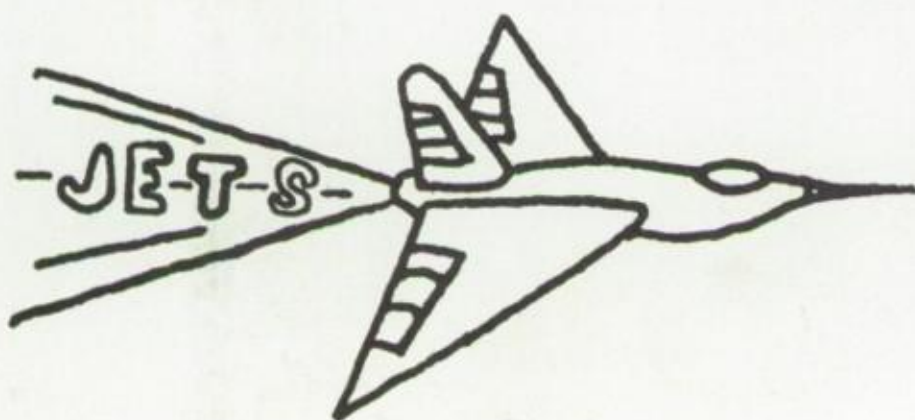

This is our way of expressing our deep appreciation to her for her six years of devoted teaching. She is not only respected by the faculty, but also loved by the students. In her three years at Western Heights her patience and understanding have endeared her to all. Everyone who meets her is impressed by her youthful outlook on life and her boundless energy. It is with great pleasure that we dedicate Flight VI to such a wonderful person as Miss Carol Smith.

Administration

Our Leaders Are Dedicated

A school may only function properly through efficient leadership. Reflecting the philosophy that the school is "child centered," Western Heights administrators work towards perfecting a school program that will benefit all students.

As Western Heights mushrooms in every direction and school enrollment increases, the problems involved in operating the vast school system multiply rapidly.

Our students should be proud of and grateful to these civic-minded people who give so much of their time and energy for the betterment of our school.

Departments Teach Practical Skills

The vocational education classes strive to prepare students for future responsibilities. By working together, they learn to make intelligent choices which will be used later on in their lives. They teach the students techniques that will become handy as a hobby or as a career, whichever they may choose.

Home Economic students, Anita Reeves, Laquita Patton, and Linda Gillaspy, work hard to be as good a cook as their instructor, Miss Hurst.

New Courses of Study Introduced

The math and science curriculum at Western Heights is designed to give the students a solid mathematical and scientific background. This helps to broaden their outlook on all phases of life. Organization

The Student Council has worked hard to promote school loyalty and to better the relations between students and teachers.

Student Council Provides Leadership

The Student Council, under the leadership of Sid Ellis, president, has made 1966-67 a successful year.

The Council did much to promote school spirit and has been an efficient guiding force during the school year. They were sponsors of the bonfire and snake dance held at football homecoming.

One of their successful projects was the completion of the tile Jet for the gym. The Council has also been an active member of the Inter-City Student Council and took part in Visitation Day on November 10.

They sponsored students attending the Student Council Convention at Okmulgee and the Oklahoma City University Convention.

Band Provides Entertainment at Games and Parades

Brow beaten and dry mouthed, the band never stops practicing. Under the direction of Mr. Jim Baker, the Western Heights Band excels. School is the time for all band members to practice together, but the unheard practice at home is what makes an excellent band. The band did an outstanding job during football games and in parades.

Many mornings were spent in preparation for the formation to be used during half-time ceremonies. The band presented a wonderful selection at the Christmas concert; in fact, it has put in a sincere effort in all school activities.

FHA Prepares Girls for Future

Western Heights chapter of the Future Homemakers of America is affiliated with the State and National organizations. The goal of the FHA is to improve and show interest in the quality of family living in the home, school, and community. The motto of the club is "Toward New Horizons."

The group conducted two major projects this year. They sold Christmas Ribbons for Dale Rogers School for Mentally Retarded, and they collected 670 toys in the Toys for Tots drive sponsored annually by the Marines.

FHA officers are: Rita Limke, Reporter; Vicki Standrige, Student Council Representative; Linda Gillaspay, President; Miss Hurst, Sponsor; Laquita Patton, Historian; Carol Carper, Parliamentarian; Paula McCurtain, Treasurer; Sharon Sweeney, Vice-President; Anita Middleton, Secretary; Sandy Henry, Devotional Chairman.

Virgil Koelsch was chosen as the FHA King for the year.

FHA betters home and community life through their interests in their successful projects of this year.

Flight VI Prepared

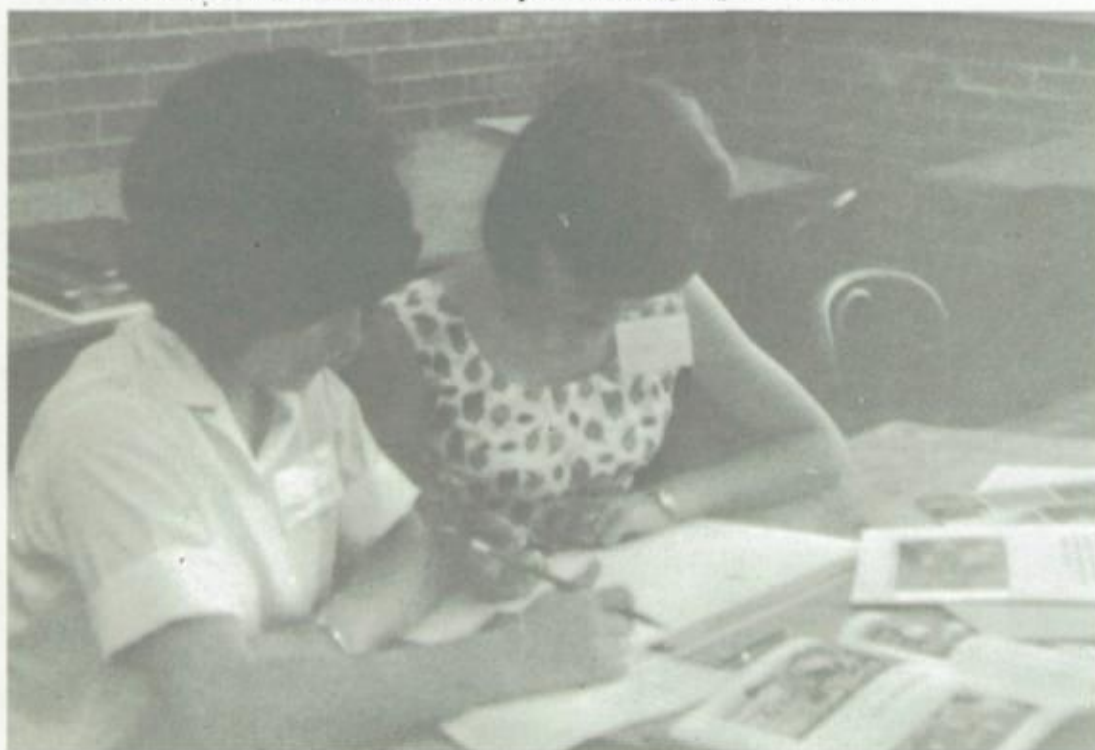

The 1966-67 yearbook was the main objective of Virginia Towell and Diane Capps, co-editors of Flight VI.

To further their knowledge of yearbook preparation they attended the OU Journalism Workshop in June at Norman, Oklahoma.

The staff spent many long hours after school preparing the yearbook for publication.

Co-editors, Diane Capps and Virginia Towell, identify pictures used in the class section of the yearbook, and assist the staff in other yearbook preparations.

Publication Staff's Record Year

The Journalism Club of Western Heights has come far even though it was organized only this year. The members have put many long, hard hours in working on Flight IV, yearbook and The Jet Stream, school paper. They attended the fall and spring meetings of the Oklahoma Inter-Scholastic Press Association at Norman, Oklahoma.

The Journalism officers worked hard to set high standards for the newly-organized club.

The officers of the Journalism Club are Jackie DeWitt, president; Dee Rackley, student council representative; Virginia Towell, treasurer; Nancy Smith, vice-president; and Diane Capps, secretary.

Members of the Journalism Club work hard as they assemble the monthly issue of The Jet Stream.

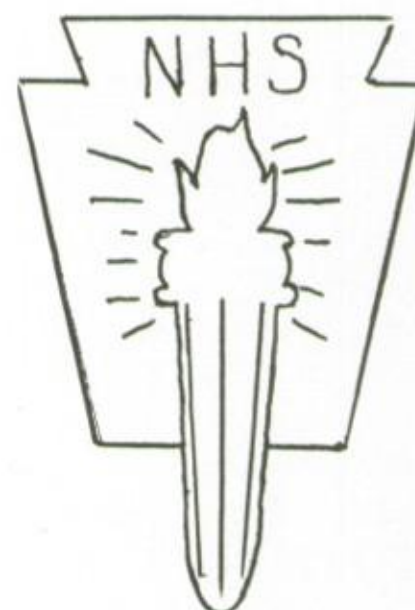

Leading the club are these officers:
Mrs. Neil, Sponsor, Sharon Albright, President, Beverly Bell, Secretary, Jana Womble, Treasurer, Bill Dunsmore, Vice-President, Shirly Albright, Student Council Representative.

Scholastic Excellence Recognized

The object of this club is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership and to encourage the development of character in students of Western Heights.

To become a member, a student must have a scholastic average of 3.5 based upon the preceding semester grades. He must have completed one semester's work in Western Heights and must be approved by a faculty committee on character, scholarship, leadership and service.

The projects for the club this year were designing a school flag, building a trophy case and preparing the school directory.

The High School Honor Society works hard to achieve the grade average set for them.

The society has many purposes with the main one being to create an enthusiasm for superior scholarship.

Junior Honor Society Promotes Academic Achievement

The Junior Honor Society is an organization that honors outstanding academic achievements by students and inspires them to continue to excel.

The Junior Honor Society is a very active club and participated in many school activities. They held an annual banquet, participated in homecoming, and operated the concession stands. They also distributed student directories.

The society is an important part of our school life and is greatly appreciated.

René Transue meets with Mrs. Kitty Neil to plan the agenda for a meeting. Mrs. Neil sponsored the group second semester while Mr. Horn was in the service.

The officers are: (First Row) Herman Horn, sponsor; René Transue, president; Cecil Elston, vice-president. (Second Row) Linda Robins, reporter; Bobby Shaffer, treasurer; and Janie Hardesty, secretary.

Pep Club Arouses Jr. High Spirit

The Junior High Pep Club has been a loyal group in supporting the Junior Jets to victory. They have raised school spirit throughout the year.

The cheerleaders along with the officers have led the Pep Club in a successful school year through their leadership and participation in assemblies and games.

The Pep Club held bake sales and sponsored a dance in February, inviting all Junior High athletes.

Pep Club sponsor, Mrs. Juana Bernstorf, complimented the girls on a job well done.

Nancy Long, Secretary-Treasurer; Judy Hanna, Vice-President; and Peggy Young, President, officers of the Jr. High Pep Club, led the club in a successful year.

Spirit, faith and determination are the secrets of the Jr. Jets Pep Club's successful year.

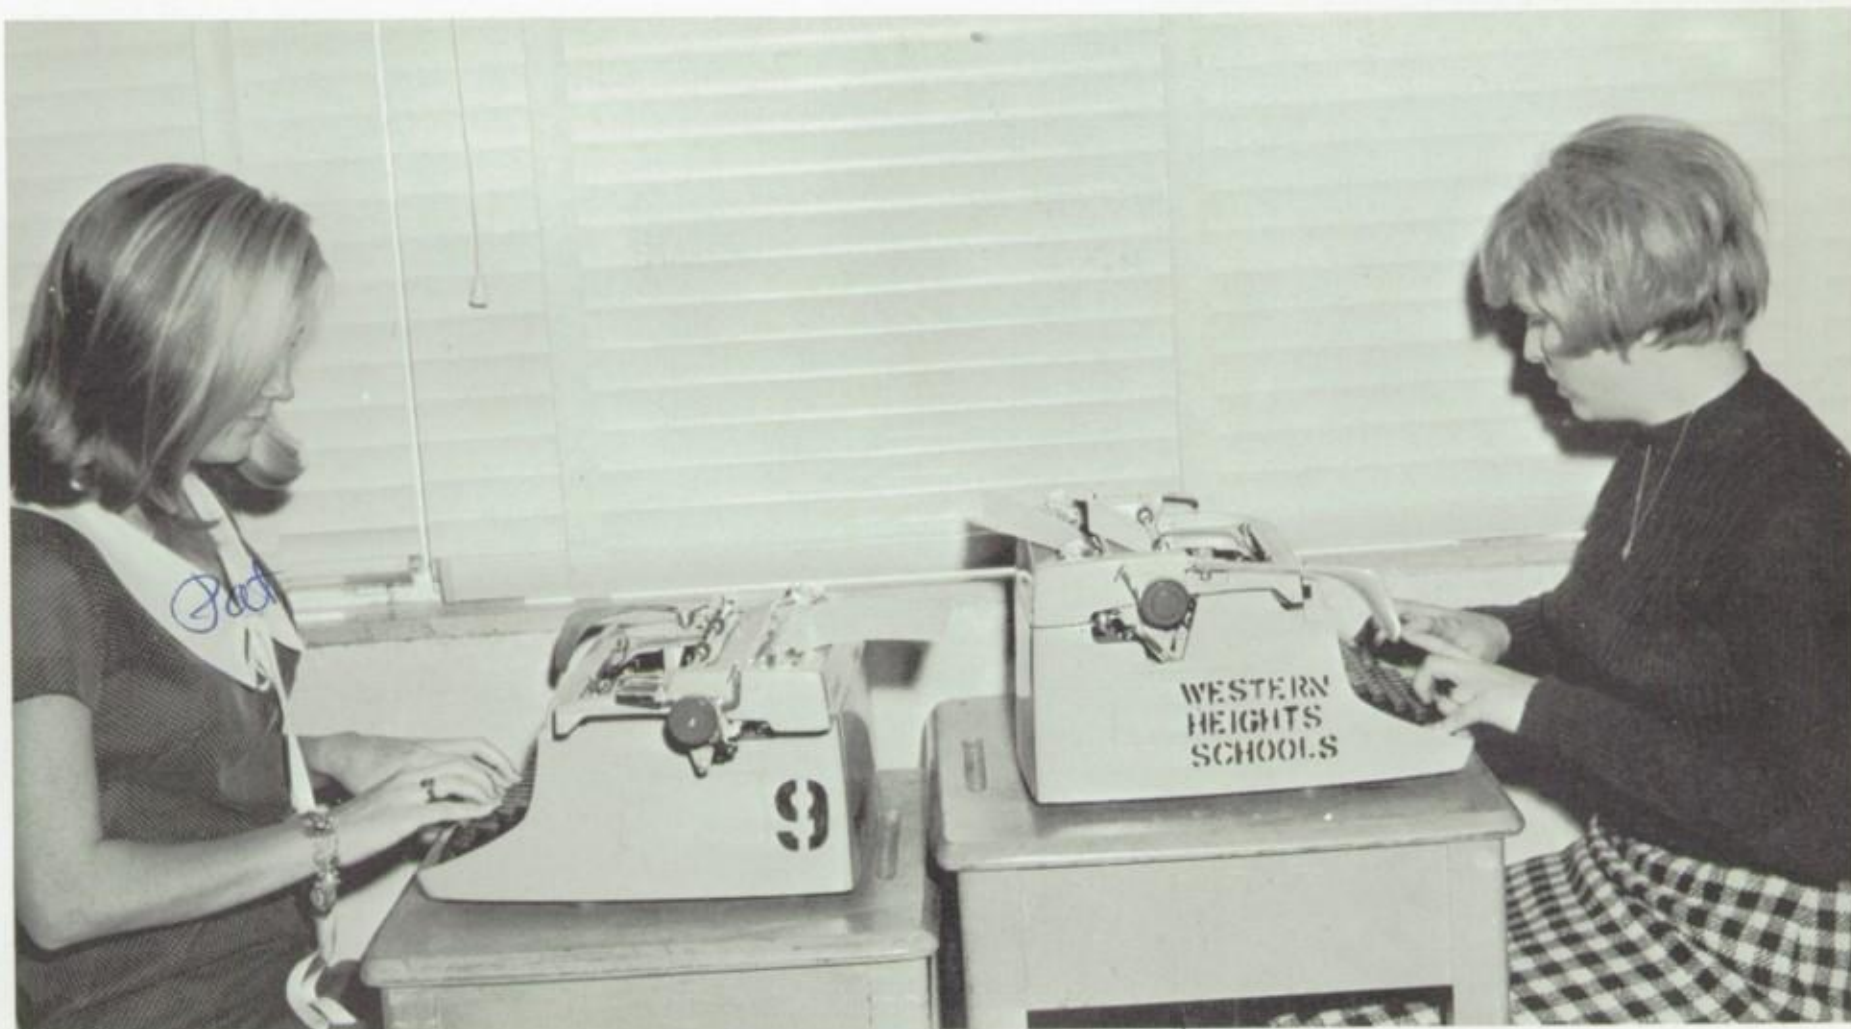

The Science Club was organized in the interest of encouraging students to study and learn about the sciences. The Club has made several interesting field trips concerning the field of geology. In addition to these field trips, other sciences have been studied in Club meetings. The sponsors are Mr. Young and Mrs. Boren.

Clubs Encourage Student Interests

The Library Club consists of library aides which have grouped together to study library science. This Club has made studies of other libraries, how books are made and how to care for books. The officers are: Diane Campbell (president), Judy Grisham (vice-president), Sandra Transue (secretary-treasurer, reporter), and Mrs. Helen Hill (sponsor).

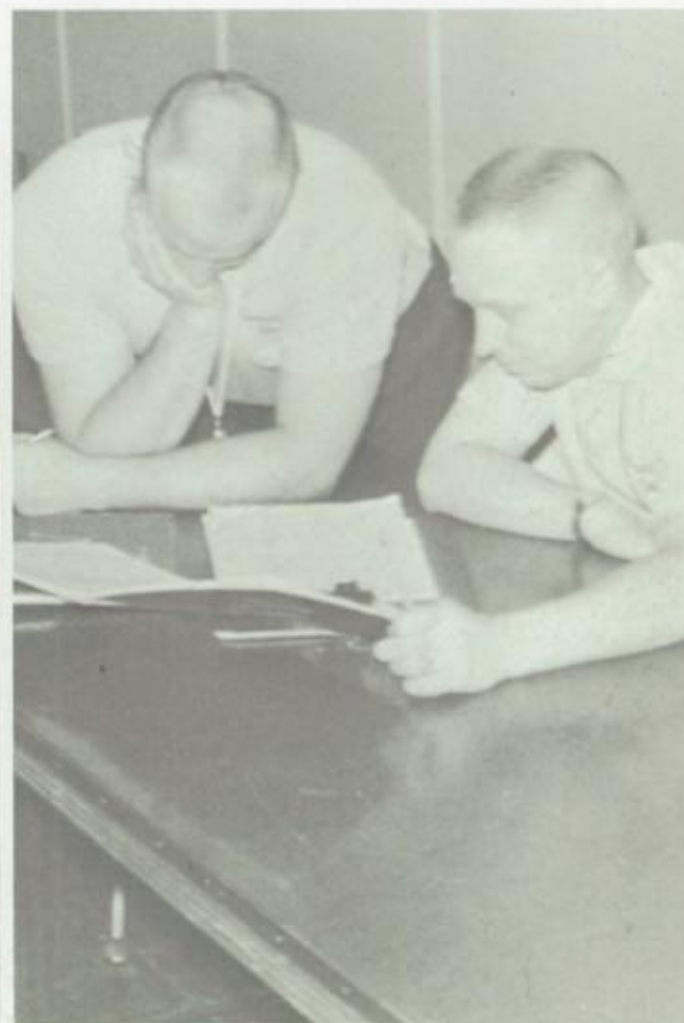

Patty Henthorn, teen reporter for Oklahoma Journal, and Joeline Barber, teen reporter of the Daily Oklahoman, work together trying to meet the deadlines for their next news article.

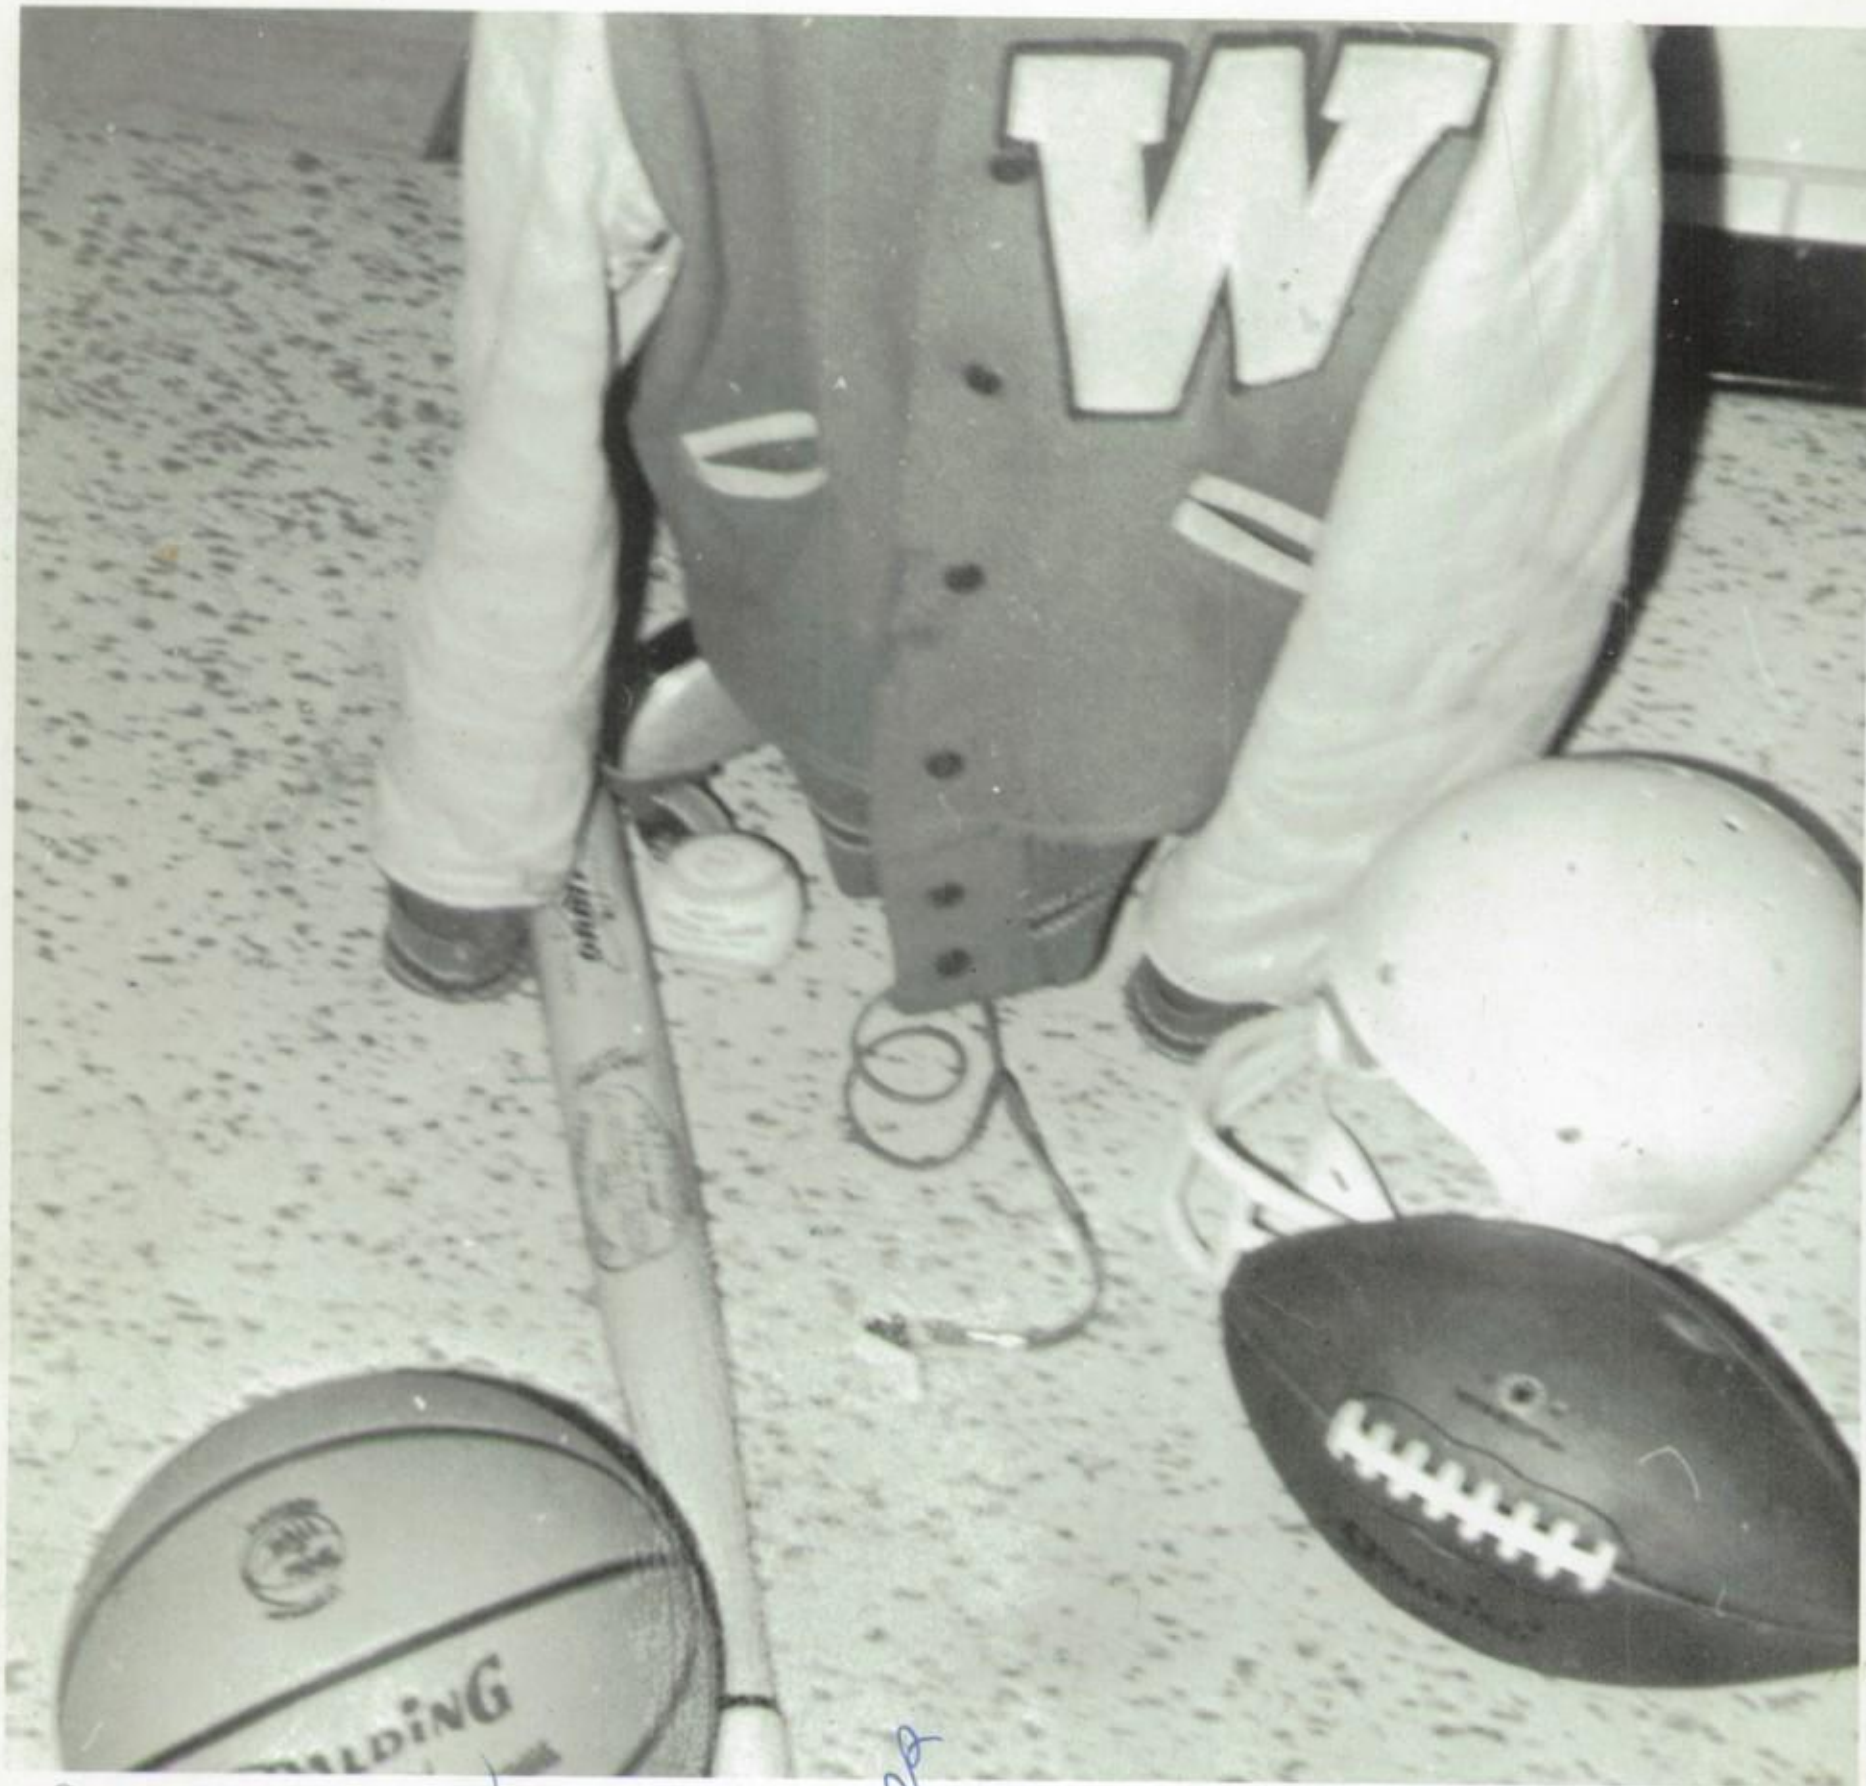

Extra Activities Add to Social Life

Charles Sheid, coach, treats cheerleaders, Janice Altman, Virginia Towell, Sharon Sweeney, Ginger Criswell and Bonnie Robertson to a coke after a successful pep assembly.

Charles Sheid and Larry Bernstorff, coaches, look over the record of the past games and are determined to make the best better.

Joe,
 Is a real
 great guy. I think
 you'd really
 tough and you
 have a real cool
 personality. Keep
 it that way and

High School majorettes pose for the camera to show off their new majorette uniforms.

Joe, I had to write on this "Direct" page - I mean since it is the best class be a compensation of the other page. Oh? Oh!! Joe, your really great and you have become to mean so much to me ^{you did before!!} the year!! The million gotten along can't be perfect. I think that we have both grown-up a little this year and it is about time we did. We both want through quite a bit of "pain" in Oct. & Nov. but Joe I think it did us both a lot of good. I don't want it to ever happen again!! Joe, you really are wonderful! You have the type of personality that people have to love you like me. I can't really put down in words if I wrote on every page in this book how much you mean to me. I'll just "be happy" all the time" just for you. Joe, I hope that you have the best of luck in the future because you deserve not being but the best!! Be good and always love me! Love you! Gamotte

Seniors

W.H.H.S. Graduates Largest Senior Class

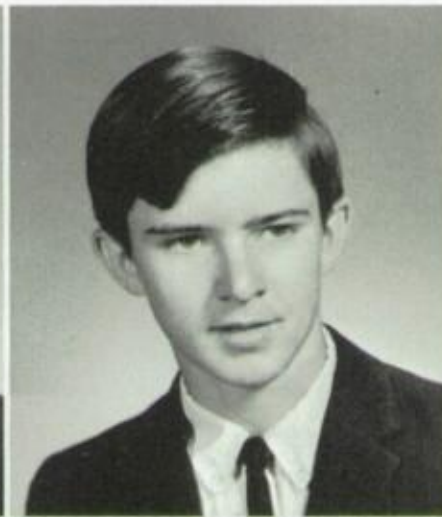

Mrs. Elizabeth Bandy, sponsor; Tom Smith, president; Mr. Keith Stone, sponsor; Cynthia Long, student council representative; Ginger Criswell, secretary-treasurer; Rebecca Robertson, vice-president; and Debbie Williams, student council representative, lead the senior class in their activities during the 1966-67 year.

Eighty-six seniors "sweated" completion of the 40 credits required for graduation. Many college-bound students made their ways to surrounding colleges to take the A.C.T. test which is required for all potential college entrants.

Other seniors acquired skills for job preparation and met with employment service bureaus to discuss prospective employment. After four years of high school, it was hard to realize that soon this group of senior students would become junior citizens of our state.

As many seniors walked through the doors of Western Heights for the last time, nostalgic memories of the games, dances, and classes they were a part of while at Western Heights were set aside to make room for more important plans of the future.

A Farewell to W.H.H.S.: Seniors Remember

Our three year stay at Western Heights has ended and we are now ready to embark upon a new career and a new life. The years we have spent contributing to and building the image of Western Heights are ours alone and belong solely to the Class of 1967. As seniors, we now say farewell to our high school, but Western Heights shall always remain a constant memory.

As a farewell to our school and class, we feel that this opportunity should be taken to acknowledge what we feel is significant to us and to our fellow classmates as well. We are deeply indebted to the many members of the faculty who have dedicated themselves to their teaching profession. The knowledge which we now embrace has been handed to us through the tireless efforts of the faculty of Western Heights High School. Whatever course we pursued and developed, our knowledge gained

can be applied to our future. Whether we pursue higher education or find ourselves embarking upon our career after commencement, we are in possession of a feeling of significant accomplishment--one which we shall never forget.

Our contributions have been many. Each, in his own ways, has undoubtedly added to the formation and to the continuing history of a high school--Western Heights High School. We shall never forget and shall never be forgotten.

We would personally like to thank our yearbook advisor, Miss Carol Sue Smith, for her sincere dedication and interest in the production of this yearbook. We are indebted to her for her guidance and we sincerely appreciate her efforts in making us feel proud to have contributed to the history of Western Heights by editing the Flight VI.

Joe,

Hi Babe! You're a doll! Friendly,
nice, lovable, wonderful, respect-
able, great, and I love ya!

This year has been a lot of fun
and I know next year will be
even more, if I am going with
you! There's been some good
times and bad times but in
all they have made everything
come out to be "happy times!"

I'm sure there will be more

Always remember how much

I love you!
